F.Y.I., /for the record, A Separate Case in Juvenile DIV.10
Attorney Marc Berry my Court appointed Attorney for this
Juvenile court case, had visited me on 10/27/2017 and told
me he would help Me by Taking the Job to be My Attorney
on This Criminal Court Case (at the time Case No. 17CR02733 was DIV.13)
and this Court appointed Attorney Marc Berry who is to this day
Still My Juvenile Court DIV.10 Court appointed Attorney, had told
me that not only will he help me by taking out his time
to be my Criminal Court Appointed Attorney, he said he would
Come and visit me on Sun. /10/29/2017 and talk to me
for about 3 hours (Marc Berry Never Showed up).

— "A Man is only as Good as His Word". —

On 11/2/2017 at 8:45AM Criminal Court DIV.13
Court's Hearing that morning was held by a Judge Brenda Cameron
who herself / Judge Brenda Cameron had asked Me / the Defendant
Where My Attorney was; "Where is Your Attorney?" asked
Judge Brenda Cameron; I replied, "I don't know" he said he was
going to be here Today); Now this Judge Brenda Cameron
says Oh well that Attorney is a Conflict of interest
So we're going to have to set another court Date and
Issues You an Attorney.

So, I get real frustrated and sad; And so with
a Full Sound mind and not in anyway out of control or incompetent,
But with Honor for my rights and My Family, I see a News Camera
At my 7, So I Turn over to face the News Crew's Camera
And Speak up about all the Illegalities →

→ And Unconstitutional Activity that I have been forced to be Encountered with here in Johnson County, Kansas and by from the AUTHORITIES and COURT'S themselves — Check Court Records — (I'm Not going to go into to much detail here)...

My first thought was WOW this Court appointed Attorney Marc Berry did not keep his word on coming to visit me Sunday/Oct/29/2017 and Now he again Does not keep his word on Showing up to be here for me as my Criminal Court appointed Attorney; And My Second thought was (why would this Judge Brenda Cameron have the nerve to ask me where my Attorney is and Yet She/Judge Brenda Cameron had Already New the situation) then my third thought was why the heck would this Juvenile Court appointed Attorney tell me he would take my Criminal Court Case knowing that he could Not, due it being a Conflict of Interest and or Should have known he could not. Now, take this all so far and think How You'd All Feel? (How You would act/react, what would You do)?

On 11/2/2017 at this court hearing had set another Court Date and for the Date of Nov./9th/2017 in Criminal Court DIV. 13 and for to give me an Attorney for this Case.

Well, at this point I turn to my F and Speak up and out to the Media/News Cameras →

→ again and this time, I Speak Louder and with a Firm Clear (Not out of Control and Not Incompetent) Voice, And with words of A person of great intellectual ability.
(As I always have, and as I always will).

So, Court Date changed without my knowledge and without any Legal documents Given to me, From Court Date that was scheduled for the Date of Nov, 9/2017 to the Date of Nov, 8th/2017 (or vice versa)... Either way,

I met My New/My Court appointed Attorney and this was Attorney Courtney T. Henderson and His partner Attorney/Judge Jason Billam or one or Both of these Date's.

And I was told by Attorney Courtney T. Henderson that he wanted me to give him all My Juvenile Court papers even though he is not suppose to have them legally he wants me to give him and His partner all my Juvenile Court DIV. 10 paperwork and they will help me get My Children back and get me back with my Children, So for me to give them all the Court paperwork for My Juvenile Court Case which has Nothing to do with them or My Criminal Case and asked me to give him and his partner My Juvenile Court Attorney's Name;

Attorney Courtney T. Henderson kept fidgeting and acting real nervous around the Sheriff Deputies and he kept telling me to be aware of the Body-Cam's →

→ of these Sheriff Deputies and a Few Times Attorney Courtney T. Henderson had gotten up from his seat and to whisper into my ear to let me know he/Himself Courtney T. Henderson does not like Cops and or any Authorities and he rather we talk in private, Etc.

I replied to this Attorney Courtney T. Henderson and told him each Time that I don't care about the Police, Sheriff Deputies, or any Authority Hearing what I am saying Nor if they are recording; I told the Attorney Courtney T. Henderson that I personally am Not a Criminal and I have Nothing to hide, and if he/himself or his Partner have to hide things from the cops, Police, Authorities, Sheriff Deputies, Etc. then You Obviously on the wrong side and Not the right Attorney's for Me. (And this just keeps Going, So I'll Leave the rest for the Lawsuit).

I just want You all to know some of what has been going on; Well I want You to know it all, Yet I understand we have a time Frame, Etc.

I was visited by Attorney/Judge Jason Billam on Nov. 17th/2017 around 10:30 AM and I asked the Attorney/Judge Jason Billam what he/himself and his partner Attorney Courtney T. Henderson Are doing to get Me out of Jail? And Not one reply from Mr. Billam except him asking me for more Information, asking me Questions; I said again What are You and Your partner doing to get Me released from Jail? Again No reply on My →

→ Question, just again kept asking Me like a Damn Interigation and Questions I've already told him and his partner Attorney Courtney T. Henderson; And So I replied Firmly "Look buddy, You need to Get me released and let me know what You and Your partner Attorney Courtney T. Henderson plane on doing to get me released;

And this is when Attorney/Judge Jason Billam had Threatened me and said "Don't You Ever Talk To Me like That and Don't You Ever Tell Me What to do, and if You do, You better remember that I am not the one to Fuck with and You don't realize who Your Messing with," And I'll Make You Pay."

I replied, look I dont mean any disrespect by it, I was just saying if You are my Attorney then You should be working on getting me out of here right? And So Chill buddy and Truthfully I dont Care who you are or who You know; And if You not here to fight for me then You Attorney/Judge Jason Billam and your partner Courtney T. Henderson need to get off my Case Now! And at once; Etc.

And I walked out and Told Every Sheriff Deputy on Recorded Body-Cam, what just happened. And I called Home to Flagstaff, AZ, and told Derek Swine,

Then Attorney Courtney T. Henderson Came to visit me on Nov/20th/2017 at 10:15 AM and this visit was when all Hell broke loose; →

III CASE History III.

→ This was when Attorney Courtney T. Henderson had Threatened My Life and My Children's Lives if I do Not Shut up about the Illegalities going on here in Johnson County, Kansas Courts And Authorities, Etc.

And if I don't shut up about the Illegalities going on here in Johnson County, Kansas what he would have done to my children and what he would have done to me and Show me what Johnson County, Kansas Authorities are all about and How things are Run around Here in Johnson County, Kansas, have Me Tortured and even beat real bad, Etc.

I wont go into to much detail, Yet I'm Sure You get my point; And then right after I reported this to the Sheriff's Office and made a Legal Report, and Literally told and asked for help to secure my children due this Attorney Courtney T. Henderson's Criminal Threats to bodily harm to my children and to myself, Etc.

Within Two Days Tony Rizzo from the K.C. Star Newspaper had placed an article in the K.C. Star Newspaper about My Attorney who was one of the Court Appointed Attorneys who Threatened Me and that I reported to the Law Enforcement / Sheriff's Department,

And The Newspaper article said that this Court Appointed Attorney Courtney T. Henderson filed for a motion for me to go to get a Mental Evaluation on My Competence to Stand Trial and also Mentioned Two ^{other} Stater Warrants, Etc. →

Room / Day Room Camera's, A Johnson County, Kansas Mental Health Psychologist Named Todd Schemmel had come to do my Competency Evaluation and had Lied on my being Competent and all due his personal Hate and Lack of understanding on How a person could Dismember a Dead Corpse, Etc. Yet Not at all what Legally he is suppose to deam/judge people by / on; This Lying Snake of an Authority, Quack Todd Schemmel made up a Lie to get me in Jail Longer, Etc., to get me tested by Doctor's, Psychologists, Etc. Against my will and my Rights Under U.S. Constitutional Health Choice, Religious Beliefs, Etc.

And So, I was waiting for a bed Space in Larned State Hospital to go get tested / Mental Evaluation and Competency Evaluation And for No Legal Reasoning, Except the Lies and personal Hate and perception from Some Illegal doing Quack Todd Schemmel and a personal friend of Attorney Courtney T. Henderson, and Great Friend and Family Member to many of these Johnson County, Kansas Authorities, just like Courtney T. Henderson, Jason Billam, Marc Berry, Sarah Hill, Scott Toth, Judge Brenda Cameron, Zane Todd, Jr., Etc.

→ Some crazy Illegal, Unconstitutional, Hate-Crimer, Etc.
Done by many here in the Authority Law, Courts, and
Attorneys in Johnson County, Kansas ... And very Heartless
and ever Stupid to Lie on Government Document's, Cameras,
Body-Cam's, and to be stupid enough to think Your going to
get away with this is even more mind Boggling...

I Shall forgive, Yet I'll Never Forget in
Times up D.A. Sarah Hill, Lenexa Kansas Police Detective,
Etc. You Need to Start telling the Truth to Yourself, and
to the courts, and to the nation and Release Me at
once... And Let me and My Children Go Home, back
Home to Flagstaff, AZ. (it is over/Done) it's time...

Judge Brenda Cameron, Your the one
who woulds~~Not~~ Allow me My Legal right to New
Counsel when I requested New Counsel due the Two
Court Appointed Attorneys (that You personally Appointed
to me and who are ^{both} Real close friends ^{of yours} and or Family or just
real close either way to You Judge Brenda Cameron) had
Threatened me and my children, Etc. and instead of You
Trusting Me/The Defendant and My Right to New Counsel,
is why (My Speedy Trial Rights have been violated)
I had to go and wait so long for Trial, along with the
other Illegal Unconstitutional acts from other Authorities that
I already Mentioned Some in this Letter. So, Enough is Enough. Time is
Ended...

Cameras At Ut-Haul and Body-Cams prove
My Two Year old Daughter Joanna Ray had not
been looking like She had Cancer and or Malignant
and did Not have bags under her eyes..

Lies from the Lenexa, Kansas

Jett, the Illegal Adoption Foster

And District Attorney Sarah Hill is
Obeying the Law and our Constitutional Rights
would Not Condone the Lier of these Illegal
doing Police Authorities; (Specially Since Body-Cams and
Cameras Prove that You / they are Lying..

And Missouri is Missouri Not Kansas;
I was incarcerated in Kansas for a Level
9) Personal Felony; (And Only for Allegedly Living
in a Storage Unit) Nothing Else on this Felony
Level 9 Charge. And a Class A Misdemeanor for
Child misconduct for Allegedly keeping my children
out in the cold Weather. (2 Count of Both Charges).

Nothing more Nothing Less on these charges;
So for Judge Brenda Cameron to Allow Stuff from
Missouri and of Also Higher Level Felony Charges to
Be presented as evidence, and Charge, is Not Legal
and or Okay... SO D.A. Prove I Lived in a Storage Unit
and kept My Children in Cold weather that's it. (Besides the New Charges of course) Oh wait all
Evidence proven Me Innocent on all charges
